

Housing and Residential Life 2024-2025 Residential Engagement Fellow Position Description

Residential Engagement Fellows (REF) are dedicated faculty members who create meaningful connections with students outside the classroom. Each REF dedicates approximately 25 hours each semester to design and implement opportunities to interact with campus residents. REFs work with a designated Resident Activities Planner (RAP) and Resident Director (RD) to enhance the sense of community and student experience.

REFs will be provided training prior to campus opening in August as well as continual support throughout the year. REFs DO NOT live on campus.

Eligibility:

Applicants must be current NMSU or DACC faculty members throughout their term in the position.

Remuneration:

\$1,500 stipend for the academic year (\$750 per semester – fall and spring) to be paid in a one-time payment each semester. Appointed term is August 1, 2024 – May 15, 2025; stipend will be prorated if REF begins their position after August 1 and/or resigns before completing their term.

Expectations of Residential Engagement Fellows:

Each REF is expected to dedicate approximately **25 hours per semester** on the following items:

- Attend REF training session during August student employee training
- Be visible in assigned community during move-in weekend
- Attend introductory community meeting
- Attend 2 check-in meetings with the Associate Director or delegate per semester
- In conjunction with the residential programming curriculum, co-plan and co-facilitate designated activities with their assigned RAP
- Participate in monthly meetings with RD and RAP
- Attend other hall meetings and activities when possible
- Establish meaningful relationships with residents of Housing and Residential Life
- Offer intentional opportunities to connect with and support residents
- Be an advocate and resource for residents in support of their academic success and positive collegiate experience
- Represent NMSU, Department/College, and Housing and Residential Life in a positive manner
- Share ideas/resources with other Residential Engagement Fellows in person and via the Residential Engagement Fellows Teams channel
- Document activities and communication by submitting a monthly check-in report using the online form
- Serve as a mandatory reporter for any concerning student behavior
- Communicate with Associate Director of Residential Education regularly regarding community progress

Plan to attend (subject to changes or additions):

Date	Time	Activity
August 8	2:30-3:30	Residential Engagement Fellows training (online)
August 13	9:30-1:00	Housing and Residential Life student staff training and lunch
