

# WHAT'S THE DIFFERENCE?

BE BOLD. Shape the Future.  
Housing and Residential Life

## MAKE #NMSUREADY

### SOCIAL DISTANCING

### SELF-QUARANTINE

### SELF-ISOLATION

#### MAIN PURPOSE?

Prevent the spread of COVID-19.

Prevent the spread of COVID-19, monitor symptoms, and take precautions against transmission.

Prevent the spread of COVID-19, promote healing.

#### WHO?

Showing no symptoms and have not been exposed to a person who has tested positive for COVID-19

Anyone arriving on campus from out of state.

Confirmed as positive for COVID-19 or been exposed to someone who has tested positive.

#### HOW FAR AWAY AND HOW LONG?

Maintain 6 feet of distance from others at all times.

Only going outside for exercise, but alone or 6 feet away from others at all times. 14 days.

Secluded from others. 14 days and until symptom free or confirmed negative for COVID-19.

#### WHY IT IS IMPORTANT?

Safe distances and avoiding contact helps to flatten the curve and helps our frontline medical staff combat the virus with the limited resources available.

Making sure you are healthy will help keep the NMSU community healthy. We are all in this together. Go Aggies!

Those confirmed as positive for COVID-19 can easily spread the virus to others.
